1. AGREEMENT SCOPE

This agreement covers each full-time (herein "regular") and part-time (herein "part-time") and per diem (herein "per diem") employee licensed or otherwise lawfully authorized to practice as a registered professional nurse (herein "employee") employed by Employer to perform registered professional nursing in nursing service, nursing education or nursing administration, excluding the Public Health Director, Deputy Public Health Director, Director of Patient Services, Director of Jacobus Center, Director of Caring Community Hospice and Director of Children with Special Needs.

2. ASSOCIATION STATUS

2.01 Recognition

Employer recognizes Association as exclusive collective negotiating representative of every employee covered by this agreement for the maximum period allowed under the law.

2.02 Association Membership

Employer will make available to every employee such material concerning Association membership as Association may supply. The Employer will provide the Association and the local chairperson with the names and addresses of all new employees within fourteen (14) days of their date of hire. Association representatives shall not exceed one (1) hour allotted to discuss Association business during the first thirty (30) days of employment at a mutually agreeable time.

2.03 Association Dues Deduction

Employer will, for each employee who, by written and signed direction, so authorizes it, deduct from the wages biweekly due such employee in any month the regular dues fixed by Association for such month. Employer will, not later than the tenth (10th) day of the following month, remit dues deducted for the preceding month to the Association. Each such authorization will continue in force and effect until revoked: (a) in writing by the employee who signed it or (b) by termination of such employee's employment. Layoff and leave of absence do not constitute termination of employment for the purpose of terminating the Employer's obligation to continue to deduct dues upon the employee's return to work. The Employer shall have no responsibility to deduct or collect dues from employees who are on layoff, leave of absence or leave without pay.

The Association shall indemnify and save the Employer harmless against any and all claims, demands, suits or other forms of liability that may arise by reason of action taken or not taken by the Employer for the purpose of

complying with any of the paragraphs of this Article, or Article 2.04 Agency Shop Deduction.

2.04 Agency Shop Deduction

The Employer will, for each employee who does not authorize the Employer to deduct Association dues under Article 2.03 Association Dues Deduction or who otherwise has not been designated by the Association as being a member in good standing, deduct from the wages due such employee in any month an agency shop fee equal to the regular dues fixed by the Association for such month. The deduction shall be made on a biweekly basis and shall be transmitted at the same time and to the same office as set forth in Article 2.03 Association Dues Deduction.

2.05 Association Business: Local Representative

Association will designate two (2) employees as its local representatives and authorize these employees to deal with Employer about employment conditions and adjustments of problems arising under this agreement. Association will notify Employer in writing of these representatives' designation and authority and any change in either. Parties agree that only one (1) representative will present the grievance.

The parties mutually agree that the time the representative of the Association spends away from his/her job duties shall be devoted to the prompt handling of grievances. The local representative further shall provide advance notification to his/her immediate supervisor before performing Association business.

2.06 Association Business: General Representative

A duly authorized general representative of Association may visit Employer's premises, by prearrangement with the Employer, at any reasonable time to discharge Association's duties as collective negotiating representative.

2.07 Association Business: Bulletin Board

Employer will provide Association with, and suitably locate, bulletin board space on which to post (a) official Association notices and (b) notices required by law. The bulletin board space will at all times carry a label, device or notice clearly identifying it as Association's space (for use) and disclaiming Employer responsibility for any matters posted on it. The signature (or facsimile signature) of a duly authorized Association representative will be affixed to every Association notice posted in this space. Association may also post such other matter as Employer may expressly and specifically approve; and Association will attach to any such matter appropriate identification of the person posting it.

3. EMPLOYEE STATUS

3.01 Qualifications

Each employee must be licensed or otherwise lawfully authorized to practice as a registered professional nurse in New York under New York law. Employer will, as soon as practicable, check and record the registration of each employee, will check and record the registration of each new employee at the time of employment, and will check and record the registration of every employee biennially.

3.02 Classification: General

An employee will be classified as either (a) regular, (b) part-time, or (c) per diem.

3.03 Classification: Regular Employee

For purposes of this agreement, a regular employee is a permanent employee covered by this agreement who is employed on a regular (year-round) basis to work a full workweek. A regular employee will receive full fringe benefits.

3.04 Classification: Part-time Employee

For the purposes of this agreement, a part-time employee is a permanent employee covered by this agreement who is employed on a regular (year-round) basis to work less than a full pay period, but at least one-half (1/2) a full pay period. A part-time employee will receive "proportionate benefits" as defined in Article 14.01 (k) Definitions "proportionate benefit" excluding Article 7.02 Health/Dental Insurance, Article 7.03 Professional Liability Insurance, Article 8.02 Tuition Refund: Entitlement and Amount and Article 8.04 Uniform Allowance.

3.05 Classification: Per Diem Employee

For purposes of this agreement, a per diem employee is an employee covered by this agreement other than a regular or part-time employee. Except as stated elsewhere in this agreement, a per diem employee will receive no fringe benefits other than those mandated by law.

3.06 Probationary Period

Probationary period for competitive class employees shall be pursuant to New York Civil Service Law and Cortland County Civil Service Rules.

The minimum probationary period for non-competitive class employees will be until the employee has actually been employed and worked eight (8) weeks. The maximum probationary period is twenty-six (26) weeks, however, once the employee has worked four (4) months his/her probationary period may only be extended by the additional two (2) months by mutual agreement by the Association and the Employer.

During the minimum probationary period (the first eight (8) weeks of employment) for both competitive and non-competitive class employees, discharge must be in accordance with Section 75 of the Civil Service Law. During the remainder of the employee's probation, he/she will be subject to demotion, suspension, other discipline or discharge at the Employer's sole discretion, but will otherwise be covered by this agreement.

Employees may bid on another position while in their probationary period only if their probationary period ends prior to the date the new position is to be filled.

3.07 Post-Probationary Period

Except as stated in Article 3.06 Probationary Period, a competitive or non-competitive class employee will be demoted, suspended, otherwise disciplined or discharged only for just cause, and Employer will promptly notify Association in writing of each such action and the reason for it.

The provisions of Article 13 Grievance Adjustment shall be the sole and exclusive procedure for the review of disciplinary action against any member of the bargaining unit, and it shall be deemed that each member of this bargaining unit has waived any and all rights that (s)he may have pursuant to disciplinary proceedings under Sections 75, 76 & 77 of New York State Civil Service Law.

3.08 Reassignment/Transfer of Position

Employees who are reassigned in accordance with Cortland County Civil Service Rule I from one position to another within or under the jurisdiction of the Cortland County Health Department may have their previous position held, as staffing permits, for a mutually agreed upon time, determined at the original date of reassignment and agreed to in writing.

During the time the employee's previous position is being held, the employee may return to his/her previous position if not satisfied with his/her new position. During the time the employee's previous position is being held, if the Employer determines the employee can not satisfactorily perform the duties of the new position the Employer will notify the NYSNA general representative in writing and the employee will be allowed to return to his/her previous position.

A transfer means the change, without further examination, of a permanent employee from a position under the jurisdiction of one appointing authority to a similar position under the jurisdiction of another appointing authority. Probation and the incumbent's rights to the permanent position will be in accordance with Cortland County Civil Service Rule XIV for interdepartmental transfers.

3.09 Seniority: Definition and Types

There will be three (3) types of seniority: (1) County Seniority, (2) Date of hire, and (3) Bargaining Unit Seniority. County Seniority means length of continuous employment by the Employer. Date of hire will be the first date of continuous employment in a position covered by this agreement. Bargaining Unit Seniority will be based on employment in a position covered by this agreement. There will be two (2) basic types of bargaining unit seniority: Type (a) regular/part-time for a regular or part-time employee listed as paid hours and Type (b) per diem, for a per diem employee listed as date of hire. A per diem employee who previously held a regular or part-time position will have both of above types of bargaining unit seniority listed.

3.10 Seniority: Acquisition/Accrual/Retention

An employee will acquire seniority after completing the probationary period, and such seniority will then date from the beginning of employment. An employee whose employment has not been terminated by resignation or discharge or for cause as stated in Article 3.07 Post-Probationary Period will accrue seniority continuously, however, an employee on leave of absence will retain but not accrue seniority while on unpaid leave of absence equal to or in excess of the employee's normal workday.

County Seniority will be based on the first date of employment by the County excluding employees working less than half-time in another bargaining unit and per diem employees covered by this agreement.

Date of hire will be the first date of continuous employment in a position covered by this agreement.

Bargaining unit seniority for a regular or part-time employee will be based on paid hours, exclusive of overtime (premium rate) and on call hours, up to a maximum of 1950 hours per calendar year. The Bargaining unit seniority for a per diem employee will be his/her date of hire in a position covered by the bargaining unit. A per diem employee will not accrue seniority towards regular/part-time seniority while in per diem status, however, he/she will retain regular/part-time seniority previously earned.

For employees with the same seniority, seniority order will be based on the first initial of their first name, 'A' being most senior in alphabetical order.

3.11 Seniority: Loss

An employee will lose seniority by resignation or discharge or for any reason stated in Article 3.07 Post-Probationary Period.

3.12 Seniority: Application

To the extent permitted by law, bargaining unit seniority will apply to: (a) layoff and recall, (b) vacation time selection, (c) compensatory time off scheduling, and (d) promotion/transfer, subject to meeting the minimum Civil Service qualifications and demonstrated knowledge and ability in the duties and responsibilities in the applied for position. Employees covered by Type (a) bargaining unit seniority as defined in Article 3.09 Seniority: Definition and Types will be considered before employees with Type (b) seniority. In vacation time selection, seniority will be subject to Employer's operating requirements.

Date of Hire Seniority into the bargaining unit will apply to regular compensation rates.

County Seniority will apply to: (a) vacation amount and (b) longevity.

3.13 Seniority: Lists

Employer will (a) on execution of this Agreement and (b) every six (6) months thereafter, and (c) on subsequent request by Association, post and furnish to Association and local chairperson, in a timely manner, seniority lists and will correct such lists from time to time as may be necessary. The posted list will conclusively establish an employee's seniority unless the employee protests it, in writing, within thirty (30) days from the time it is posted or, if the employee is on leave of absence or vacation, or otherwise unable to so protest it, may do so within thirty (30) days after the employee returns from such leave or vacation or such disability is removed. Clerical errors may be corrected by the Employer and such action or error will not act as granting rights to an employee that the employee would not otherwise have by actual employment record.

3.14 Seniority: Bidding and Posting

- A. For the purposes of this Article, a vacancy shall be defined as a newly created and/or permanent, regular position in the competitive, non-competitive class approved for hiring on a permanent basis.
- B. Vacant positions shall be posted by the Personnel/Civil Service Office for ten (10) working days on the Association bulletin boards. Once a position has been posted, it is the employee's responsibility to bid on the vacancy by filing an application with the Personnel/Civil Service Office. To be considered for the vacancy, the bid must be postmarked or received by the

Personnel/Civil Service Office no later than the last day for filing bids as noted on the posting notice. Interested bidders must meet the minimum qualifications for the vacant position at the time they submit their bid.

- C. The Personnel/Civil Service Office shall forward a list of interested bidders to the Public Health Director. Selection shall be the responsibility of the Public Health Director. Where ability and qualifications to perform the required work are, among the employees concerned relatively equal, seniority will be the determining factor.

3.15 Personnel Records

The official personnel file of an employee shall be maintained in the Office of Personnel/Civil Service.

The employee shall have the right, upon reasonable notice, to review his/her personnel file and to respond in writing to anything the employee deems to be adverse and which he/she believes has been unjustly presented.

Any derogatory or disciplinary document placed in an employee's folder must be entered within fifteen (15) working days of Employer becoming aware of the incident in question. An employee shall be notified in writing at the last known address in the Employer's personnel files, postmarked or hand delivered within three (3) working days of any derogatory or disciplinary entry into his/her file and will be shown and provided with a copy of the document and the employee may respond in writing to such entry within five (5) working days of receipt of the document unless circumstances prevent the employee from doing so. The response shall be placed in the employee's personnel file.

After two (2) years, memoranda memorializing oral reprimands, written reprimands, and derogatory statements will be removed from the employee's personnel file along with the employee's response to the memoranda, if any, and destroyed.

3.16 Re-hire

An employee who resigns his/her position and is rehired within one (1) year of that resignation date shall be rehired at the same salary grade level with the same amount of vacation time credit, shall have accrued sick time reinstated, and if rehired in the same or previously held permanent position title, the probationary period shall be waived.

4. WORK TIME

4.01 Normal Workday

For the purpose of determining application of an employee's regular compensation rate, the normal workday for employees hired prior to July 1, 1985 will be seven and one-half (7-1/2) consecutive hours, 8:00 a.m. to 4:00 p.m., excluding any meal period.

The normal workday for new employees hired to fill positions on or after July 1, 1985 will be determined by management at the date of hire. Management will have the right to schedule changes in the normal workday of such new employees in areas that merit experimentation based on community health needs. Each such new employee shall receive upon hire a letter of

appointment which shall include the language of this Article. Upon hire these employees shall be expected to read and sign an acknowledgement of this language. The County shall give the employee a copy of the letter of appointment and shall retain the original for its records.

The normal workday for at least six (6) full-time registered professional nurses, one (1) half-time registered professional nurse, five (5) full-time public health nurses, one (1) full-time public health nurse coordinator, one (1) half-time public health nurse coordinator and one (1) full-time supervising public health nurse shall be scheduled according to paragraph one (1) of this Article.

4.02 Normal Workweek

For the purposes of determining application of an employee's regular compensation rate, the employee's normal workweek will be thirty-seven and one-half (37-1/2) hours worked in five (5) workdays (Monday through Friday), and two (2) days off in each workweek.

4.03 Work Obligation: Employee

Each employee will work (a) the hours assigned in the employee's normal workday and workweek and (b) such additional hours as Employer may reasonably request. The workday may, in certain instances, be between the hours of 7 a.m. and 6 p.m. if, after an on-site evaluation of a client or clients, it is the professional judgment of the employee that a change in the workday scheduling would more appropriately meet the specific needs of that/those client/clients. Such change is subject to the approval of the Director of Patient Services or other applicable division head.

4.04 Work Schedule

Employer will assign weekend and holiday work equitably. Weekend and holiday work shall be scheduled at least six (6) months in advance.

The schedule for weekend and holiday work shall be posted not less than two (2) months in advance of the start of each six (6) month period. Such schedules shall be maintained unless changed by agreement with the employee concerned.

4.05 Alternate Work Schedule

Employer and Association agree that there will be up to eight (8) full-time Registered Nurse and/or Public Health Nurse positions of seven and one-half (7½) hours in the workday and seventy-five (75) hours in a two (2) week pay period. It is further understood and agreed that there shall be no reduction in the number and/or classification of current allocated bargaining unit positions.

In the event any of these eight (8) agreed upon positions should become vacant at any time, said position(s) may again be filled in the same manner as any other position under the terms of the collective bargaining agreement between the parties. However, no additional such positions may be created without the express written agreement of the New York State Nurses Association.

These eight (8) alternate work schedule positions would not have Monday through Friday as the normal workweek. For the purposes of determining application of an employee's regular compensation rate, the employees will

have a normal pay period of seventy-five (75) hours in a two week pay period and four (4) days off in each pay period.

An employee's compensation rate for work exceeding seven and one-half (7 ½) hours in a workday or seventy-five (75) hours in a pay period will be one and one-half (1½) times the employee's regular compensation rate. All other Articles of Article 5.02 Regular Compensation Rate: Overtime Work shall apply.

Article 5.03 Regular Compensation Rate: Saturday, Sunday and Holiday Work shall not apply to the eight (8) positions in relation to Saturday and Sunday work. However, Articles pertaining to holidays will apply.

Nurses, once hired and oriented, will be scheduled so that up to half of the alternate work schedule nurses will usually work from Friday through Monday each week as part of their work schedule for the biweekly pay period. Each nurse in these positions shall have at least every other weekend off unless mutually agreed otherwise. In no event shall nurses be required to work more than eight (8) consecutive days without the mutual agreement between the employee and the Division Head. There will be times when, due to scheduled time off and sick leave, fewer than half of these nurses will be working a Saturday and a Sunday.

Alternate Work Schedule employees shall be hired for the day shift only Monday through Friday and will be hired for the day shift on the weekend worked or the evening shift on the weekend worked and shift rotation on weekends will not be required.

Appropriate supervisory coverage shall be provided from 8:00 a.m. to 4:00 p.m. and security shall be provided at the County Office Building from 8:00 a.m. to 4:00 p.m. on weekends or other times as circumstances warrant and clerical assistance will be provided on Saturday and Sunday mornings.

Alternate work schedule employees shall not be required to perform weekend on-call duties while working an every other weekend schedule.

4.06 Layoff and Recall

The Employer agrees to meet with the Association to discuss pending layoffs. However, this Article shall in no way be interpreted as limiting the Employer's right to unilaterally determine the number and types of positions to be eliminated. The Employer will provide the Association with a list of employees to be laid off and a current seniority list. The purpose of such meetings shall be to discuss individuals to be laid off as the result of a cut back in positions.

Layoff and recall of competitive class employees shall be pursuant to the New York State Civil Service Law Section 80 and Cortland County Civil Service Rule Article XXV.

The following shall apply to layoff and recall of non-competitive class employees:

Layoff will occur in the following order:

- 1st Per diem employees, excluding Hospice on-call employees, shall be laid off first.

- 2nd Probationary employees shall be laid off without regard to their individual period of employment.
- 3rd Permanent employees shall be laid off in ascending order of their bargaining unit seniority.

Recall of employees shall be in accordance with their bargaining unit seniority in the reverse order in which they were laid off.

A layoff may be for any number of days or weeks, or may be indefinite. The Employer will give any employee at least fourteen (14) calendar days' notice of any layoff or pay compensation equivalent to scheduled time lost during such fourteen (14) calendar day period, to the extent the notice is deficient. Notification of layoff or recall shall be sent to the employee by registered mail, return receipt requested, to the employee's last known address in the Employer's personnel file.

Employees will have three (3) workdays from the date of delivery of a recall notice to inform the Employer of his/her intentions to accept the recall or refuse the recall. An employee who chooses to accept the recall, will have at least ten (10) workdays from the date he/she received notice to return to work. If the employee refuses the offer of recall or if he/she does not inform the Employer within three (3) workdays from the date of delivery of the recall notice of his/her intentions, the employee's recall rights and privileges shall terminate.

4.07 Establishing Variation in Normal Workday/Workweek

In the event the Employer or the Association finds the need to establish such variations outside the normal workday and/or normal workweek, to meet the needs of patients or employees, the Employer and the Association agree to meet and negotiate such variations. Establishment of such a variation will be subject to the mutual agreement of the Association and the Employer.

Nurses who begin their work day in the field are allowed travel time to the first visit if it is farther than travel to work at the County Office Building (COB). If the nurse picks up a County car (usually at the Highway Department), travel time begins at the Highway Department. If the nurse usually travels a shorter period of time between home and the COB than between home and the first visit, the difference in these two (2) times is considered time worked. If the time to travel between home and the COB is equal to or less than travel between home and the first visit, the nurse's day starts at the time of arrival at the first visit.

5. MONETARY BENEFITS: COMPENSATION FOR TIME WORKED

5.01 Regular Compensation Rate

An employee's regular compensation rate, as stated in Appendix A of this Agreement, will apply to the employee's normal workday and workweek. The regular compensation rate for an employee eligible to receive the shift differential provided for in Article 5.06 Shift Differential shall be the employee's rate in Appendix A plus the shift differential.

5.02 Regular Compensation Rate: Overtime Work

An employee's compensation rate for work exceeding seven and one-half (7-1/2) hours on a workday or thirty-seven and one-half (37-1/2) hours in a

workweek, as noted in Article 4.02 Normal Workweek, will be one and one-half (1-1/2) times the employee's regular compensation rate. The employee will be given compensatory time off at time and one-half (1-1/2) for hours worked in excess of the employee's normal workday or workweek or paid at time and one-half (1-1/2). An employee will take any compensatory time within ninety (90) days of its occurrence to be scheduled at mutual convenience, and taken within the program in which it is earned, e.g., the Certified Home Health Agency, Hospice, Jacobus Center, etc. In the event that an individual due to the work schedule, is in danger of losing compensatory time, the hours worked will be paid at one and one-half (1-1/2) times the employee's regular compensation rate.

In the event of program reassignment, accrued compensatory time will be discussed and mutually agreed upon prior to reassignment.

5.03 Regular Compensation Rate: Saturday, Sunday and Holiday Work

All full-time and part-time Certified Home Health Agency Staff will be included in on-call rotation, excluding per diem staff, Supervising Public Health Nurses and the Public Health Nurse Coordinator.

Nurses may trade or give away the on-call assignments.

The primary nurse will take responsibility for handling the beeper and some field visits during his/her on call cycle. The current practice of assigning a primary on-call nurse would continue but that nurse will not be assigned visits from 8:00 a.m. to 4:00 p.m., except to preclude use of the NAL, in order to allow time to receive and respond to new referrals; however, would be assigned to visits outside of the 8:00 a.m. to 4:00 p.m. workday. It is anticipated that new referrals would be received from hospitals and medical/surgical facilities. Secondary and tertiary nurses would be assigned to be utilized if the volume of weekend and/or holiday cases or full-time staff availability require it. The secondary and tertiary nurses would be notified of the need to be utilized by 4 p.m. on the day the cycle begins.

The assignment of primary, secondary, and tertiary nurses will be made based on the following criteria within a calendar year: (1) There will be an equal number (within a variance of one) of assignments in each category (primary, secondary, and tertiary). (2) There will be an equal number (within a variance of one) of total assignments collectively for primary, secondary, and tertiary. (3) Assignments for each nurse will be distributed, not clustered, throughout the calendar year. (4) No nurse will be assigned to work (primary, secondary, and tertiary) two weekends in a row or on adjoining weekend and weekday cycles.

Should staff be required to participate as primary on-call more frequently than nine (9) times per calendar year, the Employer will seek volunteers first. Staff will not be designated as secondary or tertiary more than ten (10) times per calendar year. It is understood that staff are not willing to cover indefinitely due to vacancies that may occur within the department.

Supervising Public Health Nurses may be assigned in a supervisory capacity in a fair and equitable manner if conditions are warranted. Four (4) people will share equally in Supervisory On-Call from 8:00 a.m. to 4:00 p.m. Saturdays and Sundays for the staff scheduled to work their regular workdays on weekends. Additionally, on-call nurses who have concerns about the appropriateness of a referral they have received may contact the supervisory on-call person during these hours.

The rate of on-call pay for Supervisory on-call will be three dollars (\$3.00) per hour.

Three (3) Certified Home Health Agency Supervisors and the Hospital Coordinator will share equally in the Supervisory on-call.

On-call pay will be three dollars (\$3.00) per hour, except that on-call coverage for the Home Health Aide will be reimbursed at five dollars (\$5.00) per hour. The on-call rate will be paid for all hours not being paid at the overtime rate.

Home care visits during the extended hours will be reimbursed at one and one-half (1 ½) times the employee's regular compensation rate for visits made before midnight except on major holidays, per Article 6.01 Holiday: Designation

in which cases all hours will be at double (2x) the employee's regular compensation rate. For home care visits made from midnight through 8:00 a.m., the employees will be reimbursed at double (2x) their regular compensation rate.

There will be a guaranteed minimum of two (2) hours' pay per shift for visits during the on-call hours.

Shifts will be: Monday through Friday/Minor Holidays 8:00 p.m./4:00 p.m. to 8:00 a.m.
 Saturday, Sunday/Major Holidays 8:00 a.m. to 8:00 a.m.

Visit time will include travel time, portal to portal, and charting. For nurses living outside of Cortland County, travel time will begin from a 30 mile radius of the County Office Building. Employees living outside the thirty (30) mile radius as of May 2, 2000, will be paid portal to portal.

Emergency On-Call Shifts

In no event shall assignment be for more than one (1) day at a time. The 8:00 p.m. to 8:00 a.m. shift included in a weekend/holiday assignment will be assigned first, and deemed a full assignment. In the event of an emergency which prevents the weekend, holiday or on-call nurse from serving the scheduled time period, the Employer will first seek volunteers. If a nurse volunteers to do this emergency on-call or weekend/holiday work, that nurse will be given credit for doing this as if he/she had been assigned and his/her name will be moved to the bottom of the list and will not be assigned work again until everyone else has done an assigned shift. To determine who is the next employee to be assigned, there will be one (1) comprehensive list. This will be called the Nurse Assignment List (NAL). This list will be used to assign on-call weekdays, on-call weekends and holidays as well as weekend assignments for scheduled visits. All assignments carry the same weight. If there are no volunteers, the Employer will assign these duties to the nurse at the top of the NAL. New employee's names will be placed at the top of the list, upon completion of the probationary period. In determining who shall be assigned if there are no volunteers, it must be taken into account that a nurse already scheduled to do either on-call or weekend/holiday work cannot be considered for any further assignment. When a nurse has volunteered or the nurse at the top of the list has been assigned, his/her name will be moved to the bottom of the list. The Director of Patient Services will update the Nurse Assignment List and post it on the schedule board.

The Director of Patient Services will meet with staff to mutually agree on the following:

1. A system to supply complete patient information to the nurse on-call.
2. Guidelines for staff relevant to handling calls and determining the need for a home visit; and
3. Security precautions to ensure all reasonable areas of concern are addressed.

If it is demonstrated that patient telephone calls are excessive, the Employer will be willing to reopen this agreement to pursue reimbursement of the employee's time spent on the telephone. "Excessive" means: (1) there are more than four (4) calls per shift, and/or (2) the time fielding patient calls

involves an hour or more. If this should occur at a minimum of one (1) time per rotation, then the requirement of "excessive" will have been met.

Any CHHA nurses shall receive their regular compensation rate under the contract for any and all time spent being oriented to the Hospice On-Call.
